I. Implementation of recently proposed plans and policies.

25X1

The Chief, FBIB, concluded his discussions [redacted] the month and returned to Washington. The opportunity of discussing with him London Bureau problems afforded by his visit was extremely beneficial to this outpost.

Representatives of Fiscal and I & S also visited this bureau during the month. With them a complete examination of administrative activities and procedures of the outpost was conducted.

II. Accomplishment of overall mission including firmly established individual objectives.

The volume of wordage filed to Washington during the month dipped slightly to a total of 835,993, as compared with the previous month's figure of 851,094 words. Of this 835,993 words, 833,161 words were transmitted via Army Signal Corps facilities, and only 2,832 via Western Union.

G-2 EUCOM, OIC OMGUS, and ODI OMGUS each received 111,510 words of the output of the report section. The American Embassy in Paris received 44,720 words.

A total of 186,601 words of [redacted] was also relayed to Washington during the month.

III. Proposals for improvement.

The general review of [redacted] reports, mentioned in this section of last month's report, was continued. Although this survey is not yet concluded, on the basis of information to hand G-2 USFA was eliminated from the distribution list.

An analysis of the London file was received from Washington. Close study is being made of this analysis, and it is felt that improvements can be effected in the daily London file as the result of this valuable guidance.
